1 Importance of Understanding Data **1**
- 1.1 Put a section heading here . . . 1
- 1.2 Write a section title here . . . 1
- 1.3 Type Section heading here . . . 1
- 1.4 Put a section heading here . . . 1
- 1.5 Put a section heading here . . . 1
- 1.6 Put a section heading here . . . 1

2 Data Quality **3**
- 2.1 Put a section heading here . . . 3
- 2.2 Write a section title here . . . 3
- 2.3 Type Section heading here . . . 3
- 2.4 Put a section heading here . . . 3
- 2.5 Put a section heading here . . . 3
- 2.6 Put a section heading here . . . 3

3 Data Modelling and Analysis **5**
- 3.1 Put a section heading here . . . 5
- 3.2 Write a section title here . . . 5
- 3.3 Type Section heading here . . . 5
- 3.4 Put a section heading here . . . 5
- 3.5 Put a section heading here . . . 5
- 3.6 Put a section heading here . . . 5

4 Databases **7**
- 4.1 Put a section heading here . . . 7
- 4.2 Write a section title here . . . 7
- 4.3 Type Section heading here . . . 7
- 4.4 Put a section heading here . . . 7
- 4.5 Put a section heading here . . . 7
- 4.6 Put a section heading here . . . 7

5 Introduction to Programming Concepts **9**
- 5.1 Put a section heading here . . . 9
- 5.2 Write a section title here . . . 9
- 5.3 Type Section heading here . . . 9
- 5.4 Put a section heading here . . . 9
- 5.5 Put a section heading here . . . 9

5.6 Put a section heading here . . . 9

6 Programming Languages **11**
6.1 Put a section heading here . . . 11
6.2 Write a section title here . . . 11
6.3 Type Section heading here . . . 11
6.4 Put a section heading here . . . 11
6.5 Put a section heading here . . . 11
6.6 Put a section heading here . . . 11

7 Project **13**
7.1 Put a section heading here . . . 13
7.2 Write a section title here . . . 13
7.3 Type Section heading here . . . 13
7.4 Put a section heading here . . . 13
7.5 Put a section heading here . . . 13
7.6 Put a section heading here . . . 13

8 Computer Security **15**
8.1 Put a section heading here . . . 15
8.2 Write a section title here . . . 15
8.3 Type Section heading here . . . 15
8.4 Put a section heading here . . . 15
8.5 Put a section heading here . . . 15
8.6 Put a section heading here . . . 15

9 Cloud Computing **17**
9.1 Put a section heading here . . . 17
9.2 Write a section title here . . . 17
9.3 Type Section heading here . . . 17
9.4 Put a section heading here . . . 17
9.5 Put a section heading here . . . 17
9.6 Put a section heading here . . . 17

10 Computer Networking **19**
10.1 Put a section heading here . . . 19
10.2 Write a section title here . . . 19
10.3 Type Section heading here . . . 19
10.4 Put a section heading here . . . 19
10.5 Put a section heading here . . . 19
10.6 Put a section heading here . . . 19

11 Project Support **21**
11.1 Put a section heading here . . . 21
11.2 Write a section title here . . . 21

11.3 Type Section heading here 21
11.4 Put a section heading here 21
11.5 Put a section heading here 21
11.6 Put a section heading here 21

12 Computer Graphics **23**
12.1 Put a section heading here 23
12.2 Write a section title here 23
12.3 Type Section heading here 23
12.4 Put a section heading here 23
12.5 Put a section heading here 23
12.6 Put a section heading here 23

13 Data Structures and Algorithms **25**
13.1 Put a section heading here 25
13.2 Write a section title here 25
13.3 Type Section heading here 25
13.4 Put a section heading here 25
13.5 Put a section heading here 25
13.6 Put a section heading here 25

14 Web Development **27**
14.1 Put a section heading here 27
14.2 Write a section title here 27
14.3 Type Section heading here 27
14.4 Put a section heading here 27
14.5 Put a section heading here 27
14.6 Put a section heading here 27

15 Apps Development **29**
15.1 Put a section heading here 29
15.2 Write a section title here 29
15.3 Type Section heading here 29
15.4 Put a section heading here 29
15.5 Put a section heading here 29
15.6 Put a section heading here 29

16 Advanced Data Analytics Using R **31**
16.1 Put a section heading here 31
16.2 Write a section title here 31
16.3 Type Section heading here 31
16.4 Put a section heading here 31
16.5 Put a section heading here 31
16.6 Put a section heading here 31

17 Policies Governing Project **33**
17.1 Put a section heading here . . . 33
17.2 Write a section title here . . . 33
17.3 Type Section heading here . . . 33
17.4 Put a section heading here . . . 33
17.5 Put a section heading here . . . 33
17.6 Career Opportunities . . . 33

18 Technology To Use for whatever **35**
18.1 Put a section heading here . . . 35
18.2 Write a section title here . . . 35
18.3 Type Section heading here . . . 35
18.4 Put a section heading here . . . 35
18.5 Put a section heading here . . . 35
18.6 Put a section heading here . . . 35

19 Answers **37**
19.1 Answers for Chapter1 . . . 37
19.2 Answers for Chapter2 . . . 37
19.3 Answers for Chapter3 . . . 37
19.4 Answers for Chapter4 . . . 37
19.5 Answers for Chapter5 . . . 37
19.6 Answers for Chapter6 . . . 37
19.7 Answers for Chapter7 . . . 37
19.8 Answers for Chapter8 . . . 37
19.9 Answers for Chapter9 . . . 38
19.10 Answers for Chapter10 . . . 38
19.11 Answers for Chapter11 . . . 38
19.12 Answers for Chapter12 . . . 38
19.13 Answers for Chapter13 . . . 38
19.14 Answers for Chapter14 . . . 38
19.15 Answers for Chapter15 . . . 38
19.16 Answers for Chapter16 . . . 38
19.17 Answers for Chapter17 . . . 38
19.18 Answers for Chapter18 . . . 38

1 Importance of Understanding Data

1.1 Put a section heading here

These chapters are still drafts and let us think of the order and priorities and even changing them. Think of each section in each chapter and let us share your views.

1.2 Write a section title here

Write here you can copy the sections and just write what you want

1.3 Type Section heading here

write content here

1.4 Put a section heading here

write here

1.5 Put a section heading here

write here

1.6 Put a section heading here

write here

2 Data Quality

2.1 Put a section heading here

write here saying remember in Chapter19.1

2.2 Write a section title here

Write here you can copy the sections and just write what you want even saying section1.1

2.3 Type Section heading here

write content here

2.4 Put a section heading here

write here

2.5 Put a section heading here

write here

2.6 Put a section heading here

write here write here...

3 Data Modelling and Analysis

3.1 Put a section heading here

write here

3.2 Write a section title here

Write here you can copy the sections and just write what you want

3.3 Type Section heading here

write content here

3.4 Put a section heading here

write here

3.5 Put a section heading here

write here

3.6 Put a section heading here

write here Write here...

4 Databases

4.1 Put a section heading here

write here

4.2 Write a section title here

Write here you can copy the sections and just write what you want

4.3 Type Section heading here

write content here

4.4 Put a section heading here

write here

4.5 Put a section heading here

write here

4.6 Put a section heading here

write here Write here

5 Introduction to Programming Concepts

5.1 Put a section heading here

write here

5.2 Write a section title here

Write here you can copy the sections and just write what you want

5.3 Type Section heading here

write content here

5.4 Put a section heading here

write here

5.5 Put a section heading here

write here

5.6 Put a section heading here

write here write here

6 Programming Languages

we can introduce structured and object oriented languages and concentrate on one programming language here.

6.1 Put a section heading here

write here

6.2 Write a section title here

Write here you can copy the sections and just write what you want

6.3 Type Section heading here

write content here

6.4 Put a section heading here

write here

6.5 Put a section heading here

write here

6.6 Put a section heading here

write here

7 Project

Students to be given a project that is either programming or databases

7.1 Put a section heading here

write here

7.2 Write a section title here

Write here you can copy the sections and just write what you want

7.3 Type Section heading here

write content here

7.4 Put a section heading here

write here

7.5 Put a section heading here

write here

7.6 Put a section heading here

write here

8 Computer Security

8.1 Put a section heading here

write here

8.2 Write a section title here

Write here you can copy the sections and just write what you want

8.3 Type Section heading here

write content here

8.4 Put a section heading here

write here

8.5 Put a section heading here

write here

8.6 Put a section heading here

write here

9 Cloud Computing

9.1 Put a section heading here

write here

9.2 Write a section title here

Write here you can copy the sections and just write what you want

9.3 Type Section heading here

write content here

9.4 Put a section heading here

write here

9.5 Put a section heading here

write here

9.6 Put a section heading here

write here

10 Computer Networking

10.1 Put a section heading here

write here

10.2 Write a section title here

Write here you can copy the sections and just write what you want

10.3 Type Section heading here

write content here

10.4 Put a section heading here

write here

10.5 Put a section heading here

write here

10.6 Put a section heading here

write here

11 Project Support

11.1 Put a section heading here

write here

11.2 Write a section title here

Write here you can copy the sections and just write what you want

11.3 Type Section heading here

write content here

11.4 Put a section heading here

write here

11.5 Put a section heading here

write here

11.6 Put a section heading here

write here Some text ...

12 Computer Graphics

12.1 Put a section heading here

write here

12.2 Write a section title here

Write here you can copy the sections and just write what you want

12.3 Type Section heading here

write content here

12.4 Put a section heading here

write here

12.5 Put a section heading here

write here

12.6 Put a section heading here

write here Some text ...

13 Data Structures and Algorithms

This chapter can be moved to the early chapters

13.1 Put a section heading here

write here

13.2 Write a section title here

Write here you can copy the sections and just write what you want

13.3 Type Section heading here

write content here

13.4 Put a section heading here

write here

13.5 Put a section heading here

write here

13.6 Put a section heading here

write here Some text ...

14 Web Development

14.1 Put a section heading here

write here

14.2 Write a section title here

Write here you can copy the sections and just write what you want

14.3 Type Section heading here

write content here

14.4 Put a section heading here

write here

14.5 Put a section heading here

write here

14.6 Put a section heading here

write here Some text ...

15 Apps Development

15.1 Put a section heading here

write here

15.2 Write a section title here

Write here you can copy the sections and just write what you want

15.3 Type Section heading here

write content here

15.4 Put a section heading here

write here

15.5 Put a section heading here

write here

15.6 Put a section heading here

write here Some text ...

16 Advanced Data Analytics Using R

16.1 Put a section heading here

write here

16.2 Write a section title here

Write here you can copy the sections and just write what you want

16.3 Type Section heading here

write content here

16.4 Put a section heading here

write here

16.5 Put a section heading here

write here

16.6 Put a section heading here

write here Some text ...

17 Policies Governing Project

17.1 Put a section heading here

write here

17.2 Write a section title here

Write here you can copy the sections and just write what you want

17.3 Type Section heading here

write content here

17.4 Put a section heading here

write here

17.5 Put a section heading here

write here

17.6 Career Opportunities

write here Some text ...

18 Technology For Financial Restricted Students

18.1 Put a section heading here

This chapter is going to address topics on how school students and pupils can have access to technologies that can help them to do things done by people with the latest computers. This chapter is going to be done by Mr Alex Mhungu and software developer based in New Zealand.

18.2 Write a section title here

Write here you can copy the section.

18.3 Type Section heading here

write content here

18.4 Put a section heading here

write here

18.5 Put a section heading here

write here

18.6 Put a section heading here

write here Some text ...
